

EXPLORING PARK IDEAS

We want to learn about your **PRIORITIES** for Lancaster Park improvements.
Place a dot in **UP TO 5** boxes to indicate you highest priorities and your lowest priorities.

What are your priorities?

PRIMARY AMENITIES	TOP PRIORITIES (SELECT UP TO 5, USE ●)	LOWER PRIORITIES (SELECT UP TO 5, USE ●)
New Park Washroom » Provide a centrally located accessible park washroom with 2 private stalls.		
New Covered Picnic Shelter » Provide a covered picnic area swith 2 picnic tables (and nearby uncovered area for other picnic tables and furnishings).		
New Water Play Area » Provide a splash pad with simple water features, cooling zone, seating, and shade.		
New Sand Play Area » Include sand play opportunities adjacent to water play (e.g., kids digger, “mud kitchen”)		
New 2-5 Years Play Area » Develop a play area geared towards children ages 2 to 5 years old that integrate seating opportunities and shade.		
Enhance Nature Play » Integrate new play areas with the existing stand of trees and willow tunnel to enhance nature play opportunities.		

SECONDARY AMENITIES	TOP PRIORITIES (CONTINUED)	LOWER PRIORITIES (CONTINUED)
New Parking and Park Access » Formalize parallel parking area and develop a new park access from McDonald Road.		
Preserve Flexible Open Space » Maintain open field space in the park to support informal field games and leisure activities.		
New Shade Trees » Plant trees adjacent to key amenities to increase shade opportunities.		
Expand Games Area » Add seating and another game (e.g., foosball, tetherball) with the outdoor ping pong table.		
Formalize the Duck Pond Lookout Area » Develop a small deck and bench at the duck pond edge. Restore the adjacent sparse vegetation.
